

Attention: Human Resources/Creative Director / Hiring Manager

Dear Sir/Madame:

I am an experienced Senior Graphic Designer with multi-faceted experience and expertise in Print, Web, Multi-media, Branding, and Marketing. I have a 3 year design diploma from Sheridan College and certificates in various web skills, and utilize practical web and CMS design skills honed over the years. I am heavily experienced in all facets of design, print, screen printing graphics, large format (trade shows) design and builds, and production art. I design for textiles and I have exposure to new business research, client relations, and marketing experience. I have stand-alone studio experience, and experience in team environments.

I have experience in video editing (see my YouTube channel [here](#)); and presentations. I am a writer of music; hear my work at [Badstone Music on Soundcloud](#). I have social media and personal blog experience as well as experience in photography and online store builds. I am fluent on all platforms.

QUALIFICATIONS PROFILE

Highly creative and talented Graphic Designer with extensive experience in print and web design, branding and multimedia; combining exceptional collaborative and interpersonal skills; dynamic well-developed written and verbal communications. Well-versed in client and vendor relations; experienced in building and maintaining "win-win" partnerships. Accustomed to deadline-driven environments. A dynamic team player with well-developed written and verbal communications abilities. Passionate and inventive, a self-starter who is accustomed to performing well in deadline-driven environments.

I have experience in display/trade show booth builds • machine shop experience (piece work on gas fittings) • retail sales • warehousing • shipping and receiving • general labourer • hospitality • landscaping • client relations • large format design and production • past certification on electric and propane counterbalance and some knowledge of Raymond Lift • flexible, adaptable, highly organized • management experience • experienced in impossible deadlines • creative thinking • strong communication organizational skills • strong marketing and social channel development knowledge floor • order picking • booth deliveries • show management relations • customer relations • client sourcing

From freelance design to studio production art; from concept to completion, accurate and on time, I am confident that I would make a positive addition to your work environment, adaptable in any situation. I look forward to hearing back from you to set a time for an interview regarding the available position.
